To the honorable members of the South Carolina Public Service Commission,

Thank you for your confidence in our abilities, and your gracious comments during our recent hearing.

Due to the extent of our current business capacity, and being so heavy in Maine at this time, we are finding it very difficult to devote the necessary time to properly execute the South Carolina business plan. Once the busy summer season is over, we will be able to come into compliance and start doing business with the expected level of professionalism.

It is our sincerest desire to receive your approval on this extension.

Best regards,

Genevieve Benton
